Dear Mr Saiyidain

Thank you for your letter of 28 July and the return of your proofs. Could you tell me the date of publication of your book Usul-i-Talim? You have also added the words '... editor of Activity School (Indian Education)...'. I am sorry to say that I do not recognize the title of the periodical Activity School, and the periodical Indian Education, which used to be published by Longmans, is now defunct as far as I know.

Yours sincerely
