My dear Saiyadain Saheb,

Referring to Acharya Kripalani's remarks, to which you had called attention, Shri Jajuji requested him to explain them.

I send you for your information copy of his letter in reply. *I do not think it is worth while to carry this subject further.*  
You will kindly treat it as "off the record".

I thought you might come for the H.T.S. meeting. But I learnt that you had not. I hope you are doing well.

*With Diwali greetings,*

yours sincerely,

*K.G. Mashruwala*
