Dear Saiyad ~~in~~ Sahab,

I am in receipt of your letter. I am sorry to learn that you passed through such a serious illness as heart-attack. Dr. Zakir Hussain ~~had~~ also had it some months ago. It is rather serious that this particular type of malady should become so frequent now-a-days.

I had seen Kripalaniji's speech in the papers and my attention was attracted to those words. But I know Kripalaniji does not always weigh his words, and in order to give utmost

emphasis to the ^{this} upper-
most emotion of his
at the time of speak-
ing often says
things which he would
not say at in cooler
moments. So I did
not take him seriously.
But other readers
and his audience
are bound to do so.
I shall put in
something. I have
you. I hope you are
fully restored now. But
you should take care -
Yours m.c. K-f-h.
