THE UNIVERSITY,
LEEDS, 2

10th August 1959

Dear Dr. Saiyidain

It is most kind of you to have sent me these lovely carved salad-servers. My wife will be delighted with them too.

May I say what extremely pleasant memories I have of my work with you in the Sudan, and how very nice it was to meet you again in Oxford? It is sad that I could not accept your invitation, as I should have very much liked a longer talk with you.

Yours sincerely

Charles Morris
