

VICE CHANCELLOR

SENATE HOUSE
CALCUTTA-12

21st Jany. 1959.

My dear Saiyidain,

Thanks for the account of your experience of the last four months which I have read through with great interest. You will not misunderstand me when I say that I rarely read through a narrative as information yet unassuming. A former teacher has a tendency to put a label on things in order to pigeon-hole them in the mind but I find it difficult to categorise your account in this fashion. It is not anecdotal nor abstract generalisation: "impressionistic" it may be called but that would not do full justice.

Anyway it is delightful and that is what matters.

With best regards,

Yours ever,

N.K. Sidhanta
(N.K.Sidhanta)

Shri K. G. Saiyidain,
Secretary, Ministry of Education,
Government of India,
New Delhi.
