

BOWLING GREEN STATE UNIVERSITY  
BOWLING GREEN, OHIO

F. J. PROUT, PRESIDENT

DIRECTOR OF TEACHER EDUCATION  
H. LITHERLAND

May 14, 1946

TO WHOM IT MAY CONCERN:

Miss Doris Kerns became a member of the Bowling Green State University Staff three years ago. She has served our institution with distinction in the capacity of Supervisor in our affiliated Laboratory School. We have come to respect her intellectual ability, her qualities of leadership, and the thoroughness of her preparation for work with students on the University level. She possesses an alertness of mind, and the soundness of judgment that commands the respect of staff associates and students. She is admirably qualified for college and university work.

Miss Kerns is a young woman of excellent character, fine personal qualities, and possesses an excellent sense of balance in relation to her civic responsibilities. She has my unqualified recommendation for any position of any instructional or supervisory nature to which she might aspire.

Signed,

H. Litherland,  
Director of Teacher Education
