My dear Saiyidain Saheb,

Maulana Saheb has received your letter of the 9th June and desires me to say that the prayer (دعا) is the Prophet's. Both Sunnis and Shias have included it in their books of tradition. The word " *دعائیں* " in it means what you have said. It means a prayer to belong to the poor so that one may be spared the corruption that comes with riches.

Yours sincerely,

K.R. Kripalani
