My dear Saiyidain Sahib,

I got a letter from Zohra some time ago, but due to my absence on tour, couldn't acknowledge it earlier. I have now received a reply from our High Commissioner in Canada.

I wish you had indicated at the very outset that Hameed was an Air Force Officer. I would have then realised the difficulty. No Mission can give a visa to any one who has been a member of the Armed Forces in Pakistan without getting a clearance from the Ministry of Defence. So why not ask Ghufraan or some one else to get an authorisation, and communicate the same to the High Commission in Canada.

Hameed has not yet assumed Canadian nationality - this will be after five years of being a landed immigrant.

Hope you are all keeping well. Please keep me informed about the developments. Give my greetings and love to everyone at home.

With best wishes and regards to you,

Yours affectionately,
