BOWLING GREEN, OHIO

F. J. PROUT, PRESIDENT

May 9, 1946

To Whom It May Concern:

Miss Doris Kerns is a graduate of Bowling Green State University with a Degree of Bachelor of Science in Education and from the University of Chicago with her Master's Degree. She has been employed as a teacher in the Public Schools of Bowling Green since September, 1943 where she has been very successful as a teacher of reading and also as a teacher trainer. Miss Kerns is a young lady twenty-nine years of age, of excellent character and high intelligence. She now desires to begin work on her doctorate and is anxious to make a study of the education of India. It is her wish to enroll in one of the universities of India as a student so that she can more profitably pursue these studies. I have no hesitation in recommending Miss Kerns to you.

Very truly yours,

President
