

offer of love of devotion - deep sympathy - But why love
 57 or some to find beyond reach places anywhere in the
 best of my life. I'd love come but still she try - really. In
 Rayn has been here 5 weeks he done nothing else he
 broke him in - settle him - got things made, clothes etc
 He doing very well in the office - but is rather frightened of
 being alone for the first time in this way. Emphatic

 world. He shifted finally to his place last night. I
 fly to Paris on the 14th. He wait for David when I board
 train for nearly 2 mths. He been looking hunting for
 2 weeks. First Yugoslavia then Sweden - now Finland.
 I plan to go to India sometime middle of November. David
