Dear Prof. Saiyidain,

Many thanks for your letter of the 8th Decr and your contribution to the Nai Talim. The little thing "scribbled in haste" is very good and I am properly grateful.

As for the teachers' handbook, kindly let me know how many contributions you have received and who are the defaulters. I shall try my best, but as far as Doctor Sahib is concerned, I am doubtful about my success.

With namaskars from us both,

Yours Sincerely,

Asha Devi
