Morning News

[ONLY ENGLISH MUSLIM MORNING DAILY IN INDIA]

24, CHOWRINGHEE,

Calcutta, 29th August 1943.

My dear Saiyidain Sahib,

The year has gone round and my daily paper, Morning News, is still in existence in spite of the shortage of paper. Allah alone knows how it has carried on, but He be praised, the paper has made a name for itself and people read it with respect.

Such a paper deserves some kindness from you also. Last year, you fainted me ~~me~~ by saying that I had not given you enough notice. Now, I do hereby beg to inform you that we are bringing out an 'Eed Number which, as you know, will be about the 1st or 2nd of October. I am, thus, giving you two months' notice to send me a contribution on any subject you choose out of God's creation.

If possible, try to send it by the middle of September, for ours is a small press and we shall not be able to print the whole issue at one go. I, therefore, want about ten to fifteen days to put the thing through.

Please accept my best wishes for ^{yourself} you and every member of your family. I hope you are quite well and going strong.

Yours very sincerely,

Aadu Rahman
