Dearest Shayan

The power of thought!

For the last 2 or 3 days I love  
thought so much of you.

• We going to write & ask  
you the reason for your silence.

• today comes your letter.

I don't mind. I made you  
write through the power of  
thought - but not your thought

of me - & wrote - " I  
felt I'd heard something

Enough - of this -

I'm so sorry you love

Let her well. For I wish I were  
going to stick with you! In  
the face of my exile in India!

I will do my very best to  
begeth of the Air Port favour  
maybe if I'm better. Since  
yesterday I'm down with me  
of my allergic attacks - am  
full of my anti-allergy pills  
- a Glen they wash like  
magic - so if it all  
be not for ill I'll be there.

At in case I can't  
be sending this to the  
Air Port tonight -
