

JUDGE, SUPREME COURT,  
INDIA.  
17 Safdarjung Road,  
New Delhi, the January 23, 1958.

My dear Saiyidain,

Thank you very much for so kindly sending me your thoughtful and inspiring address to the Delhi University Convocation last November. I have read it with great interest and was particularly struck, as you were, with the beauty of the quotation from the University Presbyterian journal with its recurring theme: "Man does not live by bread alone."

Yours sincerely,

(VIVIAN BOSE)

Shri K.G.Saiyidain,  
1 King George's Avenue,  
New Delhi.
