My dear Prof. Saiyidaini,

We did get through the syllabus work at Haripura and sent the matter to the press on Feb 20th. We were sorry you couldn't come to Haripura. Bapu was counting on meeting you. I hope you would have heard from Doctor Sahab the details about the Congress resolutions. We were quite pleased on getting the resolution on National Education passed.

Bapu is going on with the organisation of the Constitution of the All India Education Board according to the resolution. I sent a copy of the proposed constitution

to Doctor Sahel and asked him to consult you also.
It is nearly a week and no word from Doctor Sahel.

Bapu wants you to serve on the Managing
Committee and I hope you will agree to serve.

The first managing committee shall consist of the
following five members ^{who shall hold office for seven years.}

1. Dr. Zakir Husain
2. Prof. Saiyidain, 3. S. Vinobhareshwar,
4. Smt. Asha Devi, 5. S. J. Arjaneyakan

We want to set up a good research library and would
welcome your help. Give us a list of up to date books

covering the whole field of Basic Education.

Hope your family and children are doing well. With best
wishes from us both.

yours sincerely
Arjaneyakan
