Dear Mr. Saiyidain!

Some time ago we sent you one of the first copies of the book to which you so kindly contributed. Let me take this opportunity to thank you again for your contribution which represents a very substantial enrichment of our volume. I hope that the finished product finds your agreement and pleasure.

At the same time I have posted a number of other publications of this institute which might interest you or your colleagues.

I hope very much that our relation will develop ^(lasting) in some more form of cooperation.

With best wishes,

yours very sincerely,
