My dear Khwaja Sahib,

Many thanks for your kind letter of the 16th:October.I have also since received the 'design'; and shall be sending you the three chapters on Monday. I hope, by the time you visit Delhi, the entire work would be complete for your final inspection,after which it can go to the press.

I was interested in coming to J & K with a view to securing some orders for my publications from libraries; and wonder whether it would be possible for you to kindly help me in this connection. The State Education Department have already obtained from me 75 copies each of:

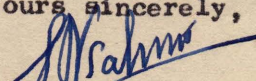

- 1.Sains ki Duniya
- 2.Duniya ke Mashhur Sainsdan
- 3.Telefon ki kahani; and
- 4.Masnui Sayare

and there was a possibility of their placing further order. This has,however, not been received. All these publications have a good amount of educational value; and their introduction in schools and public libraries would be filling a gap in Urdu literature for the scientific data,contained in these books. I have taken the liberty of approaching you for help on account of your patronising attitude towards the publications of the INDIAN ACADEMY.

I am most grateful to you for your feelings of sympathy on my bereavment; and I am doing my best to reconcile myself to the Will of Almighty.

With respects,and salaams to Begum Sahiba,

Yours sincerely,

(S.N.Sahni)
